Subject: Re: General Statement for public

Rich & Jerry,

Thanks for drafting a summary statement (actually a template) that could be used as a public statement each week as we release results to homeowners. Good job..... exactly the kind of first draft I was looking for.....

Below are 2 files. The first is an edited version of the template and the second is an actual statement for the first week based on using the template. Please review and provide any comments you may have before I share these with Ron and OPA. Obviously, I especially need you guys to check the "facts" in the actual statement.

I'm sure the actual statement will be modified at some point by our OPA or HQ but I want to obviously at least make sure they have correct facts.

Thanks again, den.
